

Combination packages

If you don't want to build your own stand, let us take care of everything for you! We will provide a stand-building concept that meets your needs. We can offer you various stand sizes, sector-specific offers and various equipment alternatives, and stand setup and dismantling is included!

Price examples including full stand construction service

9 m ² row stand incl. additional charges	EUR 4,448.90
12 m ² corner stand incl. additional charges	EUR 6,192.20

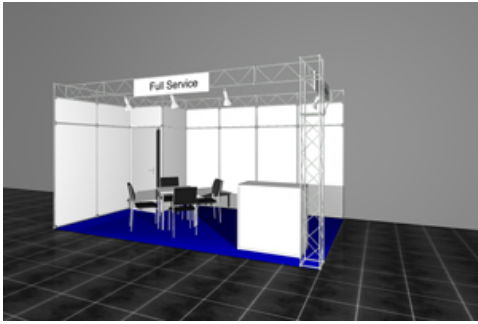

The following costs will also be incurred with a stand booking: • Unlimited number of vouchers for single-day tickets • Basic catalog entry in print and online • Pre-payment flat rate charge for services • Waste disposal flat rate charge • Association of the German Trade Fair Industry (AUMA) fee (VAT will be added to all prices.)

Combi packages

If you are interested in a combi package for a stand at LOPEC, please mark the appropriate field on the [application form](#).
