

## LOPEC newsletter—the latest news at your fingertips

Sign up for the LOPEC newsletter today. It's the perfect way to stay up to date with the latest technology and sector news. Our newsletter is free and provides regular updates on the latest developments in the world of printed electronics, as well as all the latest trade fair news.

Thank you for your interest in signing up for the LOPEC newsletter. Our newsletter features regular reports on the latest technology and industry news in the field of printed electronics. We also make sure that you are always kept informed of the latest news concerning the trade fair, the Congress, and additional events, as well as providing advice and all the key dates to help you plan your visit.

Signing up to the LOPEC newsletter couldn't be easier. Simply complete the form below, filling out all the fields, and submit your subscription application by clicking the "Submit" button.

You will then receive a registration e-mail from LOPEC. All you need to do is confirm your request via the link in this e-mail.

And don't worry: We take strict measures to ensure your data stays protected. No addresses are passed on to third parties. If you decide you no longer wish to receive the LOPEC newsletter, you can simply unsubscribe at any time.

### Your free voucher for an entrance ticket

Just register for the newsletter and receive your **personal free voucher code** valid for one person for a single day. You will receive the voucher code with the newsletter. Use this code for your online registration and print your free ticket at home.
