International Exhibition
and Conference for the
Printed Electronics Industry

LOPEC: Exhibition and Conference, combined.

LOPEC Exhibition

LOPEC is **the industry event for printed electronics** that successfully combines technology and business. As the leading global platform, LOPEC offers companies across the entire industry support in every aspect, from research to application—both today and tomorrow. LOPEC connects, inspires and puts ideas into practice. It brings printed electronics to life.

LOPEC Conference

Successful business models, new findings, results and products from research and business, exciting contributions and discussions with well-known participants: The LOPEC Conference offers this and much more—the perfect opportunity for a comprehensive knowledge update. The division into different conference modules allows a precise coordination of your visit with individual interests.
