

User Guide

Online application

Simply convenient:

Apply as an exhibitor with Messe München account

Whether you already have a Messe München account or apply as an exhibitor for the first time and thereby open your account: Our User Guide takes you through the new application process for exhibitors making it quick and easy.

Your personal Messe München account provides many benefits: It is very easy for you to create and view your applications as a main exhibitor or co-exhibitor. If you are a main exhibitor and have stand partners, your account also gives you an overview of all registered co-exhibitors.

Do you want to share your booth?

You can share the following link with your Co-Exhibitors:

Co-Exhibitor URL:

Tip for the co-exhibitor URL:

You can log in to your Messe München account at any time: Under **“Application”** you find an overview of the applications sent per stand space. For each stand you can view the list of all co-exhibitor applications sent under **“Co-exhibitors”**. You also find the co-exhibitor URL for the trade fair stand of the application there to invite more co-exhibitors to apply.

Tip: With your access details you will also have access to this overview under **“Applications”** at any time later.

Log in as a co-exhibitor

Step 1: New registration or log in

There is a special features to note for co-exhibitors when they first **log in/register**. Your main exhibitor will send you the following link:

- ❖ a link (“**co-exhibitor URL**”) for your application as a co-exhibitor, please use it. Please just follow the steps in the application, as they are described for main exhibitors under Step 1 “**New registration or log in**”.

Important: Your personal access details for your Messe München account apply to all applications and registrations (e. g. the Exhibitor Shop) for future Messe München events. Therefore, ensure their safe-keeping.

Step 2: Application for LOPEC

As soon as you have made a successful new registration or logged in with your known access details, you can apply for LOPEC 2019. Again you proceed as described for main exhibitors. Fields concerning the main exhibitor are already filled out. So you just have to enter and check your details.

After you have clicked “**Send application**”, you will get an email confirming receipt of your co-exhibitor application including a PDF of your application.

Step 3: Complete application

As soon as you have clicked “**Send application**”, the final page of the online co-exhibitor application will pop up. You have completed your application!
